Intra-quarter NAVs may also be adjusted by White Oak's Valuation Committee to reflect other relevant information. All values may differ materially from the price at which actual sales transactions have been or could be effected.

The Partnership's investment recycling period ended on June 30, 2017. Commencing after this period, each investor's remaining capital commitment will only be adjusted for capital calls. Any return of capital distributions after this point will no longer be considered recallable and will not be added to each investor's remaining capital commitment.
